

Electric Hammer Tools

"Quality First" since 1882

Electric hammers fit into the same general size category as the pneumatic chipping hammers and are used for the same purposes. They have become extremely popular in the construction industry and we produce a full range of tools to meet this demand. These tools will fit into the demolition and rotary type hammers supplied by such companies as Black & Decker, Bosch, Kango, Metabo, Milwaukee, and others.

SDS-MAX

Bosch: 11214EVS, 11216EVS, 11227E, 11230EVS, 11231EVS, 11235EVS, 11245EVS, 11309EVS, 11312E, 11313EVS, 11316EVS
DeWalt: DW540K, DW541K, DW545K
Hilti: TE55, TE76ATC, TE505, TE705

Working End	Length	Part #	Weight
